CONSERVATION PROGRAM MANUAL (CPM)
440 CPM PART 512
AMENDMENT 9

SUBJECT: CPM – CONSERVATION PROGRAM CONTRACTING, PART 512, SUBPART C

Purpose: This directive transmits Maine supplemental policy 440-V-CPM, Amend. ME9, April 2010 to 440-CPM, Part 512, Subpart C of the Conservation Program Contracting Manual dated December 2009. This supplement establishes Maine policy for cancelling deferred applications if the applicant does not contact the local NRCS Field Office within 30 days of receipt of the deferral letter sent by certified mail.

This directive also transmits a **Maine Application Deferral Letter template** that states that the deferred application will be cancelled if the applicant does not contact the local NRCS Field Office within 30 days of receipt of the deferral letter. This letter is to be used instead of the template that is available in Section 512.91(B) or in ProTracts.

Effective Date: April 12, 2010

Filing Instructions: Add this supplement to the Conservation Program Manual, Part 512, Subpart C, Section 512.27.

Also, add the **Maine Application Deferral Letter template** to the Conservation Program Contracting Manual, Part 512, Subpart J in Section 512.91 – Sample Letters. The attachments replaces item 512.91(B), **Application Deferral Letter** and the **Deferral Letter template** in ProTracts.
