

440-CPM, PART 512 – SUBPART A – GENERAL INFORMATION

512.1 Required State Actions

Each State Conservationist is required to—

(8) Supplement this section to designate responsibilities for developing, approving, and administering contracts; making payments; and assigning appropriate permissions in ProTracts. (See section 512.3.)

(a) The State Conservationist delegates authority to the following positions for developing, approving, and administering contracts (includes the obligation and payment of funds):

- District Conservationist (Approval of contracts and modifications, payment approvals)
- Resource Conservationists in Warren Field Office (Approval of modifications and payment approvals)
- ASTC-Programs (Approval of contracts and modifications, payment approvals)
- Resource Conservationist on ASTC-Programs staff (Approval of modifications, payment certifications).
