

## INSTRUCTIONS FOR USE OF WASHINGTON CONSTRUCTION SPECIFICATION (CS-06)

### STRIPPING

1. Applicability

Construction Specification, CS-06, is applicable to the stripping of topsoil and other undesirable materials from borrow areas, foundations of structures and other earth fill areas.

2. Material Specifications

There are no material specifications complementary to Washington State Construction Specification CS-06.

3. Special Items to be Included on the Drawings:

- a. Limits of areas to be stripped.
- b. Extent and depth to which stripping will be done.
- c. Notation of use or disposal of stripped materials.
- d. If to be used as topsoil, location of temporary storage.
- e. If to be disposed of, location of disposal area.
- f. Final grading of disposal site.
- g. Special requirements for control of erosion, sedimentation water pollution, and air pollution.
- h. Specify method of measurement and payment, if applicable.
