USDA-NRCS AGREEMENT TO ALLOW MANURE APPLICATION

PRODUCER/USDA CONTRACT HOLDER: _____

NRCS program participants with EQIP contracts containing manure and wastewater storage or treatment practices or nutrient management must manage or have their manure managed according to NRCS requirements (same as state law) on all land where their manure is applied regardless of land ownership or manure transfer or sale to another.

Necessary permissions must be obtained for manure applications on land not owned or controlled by the EQIP program participant. The permissions must be in writing and indicate that the manure recipient will apply or allow others, including the EQIP program participant, to apply manure according to NRCS requirements. A copy of the permission must be provided to the NRCS field office prior to construction of any cost-shared waste storage, treatment or transfer practice and prior to implementation of nutrient management.

This NRCS form or MPCA equivalent forms should be used to obtain necessary permission.
