## **Eufaula Conservation Programs Workshop**

**Eufaula, Okla., Nov. 17, 2016**—The approach of the new year also means updates to some of your favorite conservation programs. Learn what's new for USDA's Farm Bill programs, including the Conservation Stewardship Program (CSP), during a workshop on **Dec. 13, 2016 from 5:30-8:30 p.m. at the McIntosh County Fairgrounds, Exhibit Building, Oklahoma Highway 9.**

"We're excited to share all the new updates to our programs for 2017, and we think farmers and ranchers will be especially pleased with how CSP has been made more flexible for a variety of operations," said Jacob Worley, USDA Natural Resources Conservation Service (NRCS) District Conservationist for McIntosh County.

USDA's Farm Service Agency, NRCS, National Agricultural Statistics Service and Risk Management Agency will host presentations. There will also be special presentations on Oklahoma Ag Credit Services programs and uses for red cedars.

The workshop is free and dinner will be provided. RSVP or request reasonable accommodations by Dec. 7 with Jacob Worley at 918-689-2301 or Dr. Carol Crouch at 405-612-9331 or [carol.crouch@ok.usda.gov](mailto:carol.crouch@ok.usda.gov).
