

**FISCAL YEAR 2017  
ENVIRONMENTAL QUALITY INCENTIVES PROGRAM  
RCPP - TRI STATE WESTERN LAKE ERIE BASIN  
CONSERVATION PRACTICES**

<b>CONSERVATION PRACTICES</b>	<b>CODE</b>	<b>CORE PRACTICES</b>	<b>COMMENTS</b>
Riparian Forest Buffer, Riparian Herbaceous Cover, Filter Strip	390, 391, 393	Core	Core if implemented along a stream or watercourse.
Drainage Water Management	554	Core	
Nutrient Management	590	Core	Core when Phosphorus is directly injected using Variable Rate Technology (VRT). Supporting for all other nutrient management. No payment CAP
Structure for Water Control	587	Core	Core when used with drainage water management. Supporting for all other uses.
Waste Storage Facility	313	Core	No Payment CAP
<b>CONSERVATION PRACTICES</b>	<b>CODE</b>	<b>SUPPORTING</b>	<b>COMMENTS</b>
Access Road	560	Supporting	
Agrichemical Handling Facility	309	Supporting	
AMENDING SOIL PROPERTIES WITH GYPSIFEROUS PRODUCTS	801	Supporting	
Animal Mortality Facility	316	Supporting	
Animal Trails and Walkways	575	Supporting	
Composting Facility	317	Supporting	
Conservation Cover	327	Supporting	
Conservation Crop Rotation	328	Supporting	
Constructed Wetland	656	Supporting	
Controlled Traffic Farming	720	Supporting	
Cover Crop	340	Supporting	No Payment CAP
Critical Area Planting	342	Supporting	
Denitrifying Bioreactor	747	Supporting	Demonstration purposes only.
Dike	356	Supporting	
Diversion	362	Supporting	
Early Successional Habitat Development/Management	647	Supporting	
Fence	382	Supporting	
Field Border	386	Supporting	
Filter Strip	393	Supporting	
Firebreak	394	Supporting	
Forage and Biomass Planting	512	Supporting	
Grade Stabilization Structure	410	Supporting	
Grassed Waterway	412	Supporting	
Heavy Use Area Protection	561	Supporting	

Lined Waterway or Outlet	468	Supporting	
Mulching	484	Supporting	
Nutrient Management	590	Supporting	No Payment CAP
Open Channel	582	Supporting	Demonstration purposes only for two stage ditch.
Pond Sealing or Lining, Bentonite Sealant	521C	Supporting	
Pond Sealing or Lining, Compacted Clay Treatment	521D	Supporting	
Pond Sealing or Lining, Flexible Membrane	521A	Supporting	
Pond Sealing or Lining, Soil Dispersant	521B	Supporting	
Pumping Plant	533	Supporting	
Residue and Tillage Management, Mulch Till	345	Supporting	
Residue and Tillage Management, No-Till/Strip Till/Direct Seed	329	Supporting	
Restoration and Management of Rare or Declining Habitats	643	Supporting	
Riparian Forest Buffer	391	Supporting	
Riparian Herbaceous Cover	390	Supporting	
Roof Runoff Structure	558	Supporting	
Roofs and Covers	367	Supporting	
Saturated Buffers	604	Supporting	
Sediment Basin	350	Supporting	
Solid/Liquid Waste Separation Facility	632	Supporting	
Stream Crossing	578	Supporting	
Streambank and Shoreline Protection	580	Supporting	
Stripcropping	585	Supporting	
Structure for Water Control	587	Supporting	
Subsurface Drain	606	Supporting	
Underground Outlet	620	Supporting	
Upland Wildlife Habitat Management	645	Supporting	
Vegetated Treatment Area	635	Supporting	
Waste Transfer	634	Supporting	
Waste Treatment	629	Supporting	
Waste Treatment Lagoon	359	Supporting	
Water and Sediment Control Basin	638	Supporting	
Wetland Creation	658	Supporting	
Wetland Enhancement	659	Supporting	
Wetland Restoration	657	Supporting	
Wetland Wildlife Habitat Management	644	Supporting	
<b>CONSERVATION ACTIVITY PLANS (CAPS)</b>	<b>CODE</b>	<b>SUPPORTING</b>	<b>COMMENTS</b>
